Jana – Business Development Director / USA

Jana started her first company at the age of 19, which was the first step in her becoming a serial entrepreneur. As a digital media and sales expert, she worked in the high-tech and biotechnology industry, developing unique business solutions. Her resume includes names like Saatchi & Saatchi, Pacific Image Electronics and Avegene Life Sciences. Jana's spare time is divided between her family, foreign languages, high-tech devices, 4-legged animals, Wikipedia and string instruments.
